I would like Capitol Neighborhoods to do more of:

- *Protection from aviricious developers.
- *Holding property owners accountable for keepint their property clean and in good condition.
- *The same—advocacy, preservations, etc.

I am interested in Capitol Neighborhoods because:

- *I've lived here 14 years and hate to see the evils of gentrification.
- *I live on the Isthmus and work downtown. I want this to be a good place to work, live and play.
- *Downtown Madison is a wonderful location to live and has tremendous potential
- *I think those who live here should support it. I like the philosophy behind the organization.
- *It's my neighborhood.
- *It's a creative, growing area, and group of people.
- *It's vibrant, even though I'm not very active.

I wish to participate in Capitol Neighborhoods by joining the following committees:

- *Call me re making calls, etc.
- *?Not sure what committees there are but will be glad to help!
- *I'm really too old to help in any other way except by giving a little money.
- *None

I think the neighborhood as a whole need more of:

- *Inclusive Housing and Racial Diversity, Lower Density.
- *Locally-owned business.
- *Rehabilitation of older housing- more affordable owner and rental units.
